

Training for Success

FALL SERVICE TRAINING

It's Hard To Stop A Trane.

Fall Service Training will give techs a hands-on training on the Hyperion Air Handlers

Multiple TAM 7's will be in the classroom for techs to troubleshoot during Keith Moneaux's break-out sessions.

Fall Service Training will include:

- ▶ Tam 7 configuration
 - ▶ Led's and fault codes
 - ▶ Troubleshooting updates Service Bulletins
 - ▶ New information regarding TZONE950 thermostats
 - ▶ Thermostat Installation Guide, Volume 2.
- to be added with Volume 1 given at Spring Service Classes
