

This year Butcher Distributors will begin using e-mail to communicate with our dealers. Using e-mail will allow us to get pertinent information to you on a timely basis; information such as new product releases, sales plans, service bulletins, give-aways, etc. Rest assured, these e-mail addresses will only be used by Butcher Distributors to pass along important Trane information and you will be able to opt out at any time. We will continue to send snail mail as well and promise not to inundate you with emails.

Please take a moment to send us your correct e-mail address as well as any important people in your company so that no one will miss anything. You can fill out this E-Mail Communication Contact form or send your information in an email to: emailcollection@butcherdistributors.com. Once received, we will send out a confirmation.
