It's Hard To Stop A Trane.®

Comfort Solutions for Common Household Problems

Enhanced Comfort & Energy Savings

- ❑ A **Trane XL19i Air Conditioner or Heat Pump** offers the ultimate in comfort because of its 2-stage capability and has SEER ratings up to 18.9. This robust equipment is quiet, extremely efficient and offers enhanced dehumidification to maximize your cooling experience.

- ❑ A **Trane XL16i Air Conditioner or Heat Pump**, with its 2-stage capability, offers comfort, enhanced dehumidification, and efficiency with Seasonal Energy Efficiency Ratings up to 17, exceeding industry standards.

- ❑ With a **Trane XL14i Air Conditioner or Heat Pump**, you'll experience comfort in a whole new way. Comfort in the quiet, efficient way the air conditioner cools your home. The XL14i has seasonal energy efficiency rating of up to 15 SEER, which exceeds industry standards.

- ❑ **The Trane 13XR** meets the new 2007 industry minimum SEER standard. The XR13's SEER (Seasonal Energy Efficiency Ratio) rating of up to 14.00 makes it an energy-efficient choice for home comfort.

Energy Star Rated.

Homeowners can claim Federal Tax Credits for Energy Efficiency on all Air Condition and Furnace products on this sheet, under the Energy Policy Act of 2005.

For more information visit www.energystar.gov.

- ❑ **The Trane 80% Variable Speed Furnace** not only provides excellent comfort, it will save you money too. In fact, this furnace can save you up to 60% over a single speed furnace on your current electric bills, based on constant fan operation. With a Trane Variable Speed Furnace, you get economy, efficiency and comfort.

Temperature Control & Comfort Solutions

- ❑ A **Trane Touch Screen Programmable Thermostat** can save up to 18% on energy costs and make your home more comfortable by automatically adjusting the temperature for sleeping, weekdays or weekends. Ideal when matched with variable speed or 2-stage equipment.

- ❑ A **Trane Deluxe Programmable Thermostat** can save up to 18% on energy costs and make your home more comfortable by automatically adjusting the temperature for sleeping, vacation, weekdays or weekends.

- ❑ A **Trane XB200 Comfort Control** combines the latest digital control technology with a variety of energy efficiency features.

Air Quality Solutions

- ❑ **Trane CleanEffects™** removes an astounding 99.98% of the allergens from the air that passes through the system, making it more effective than a HEPA air cleaner to protect your family's health.
