

-  To have access to Butcher's E-Commerce site, employees must have a log-in and password to sign in.
-  This access includes the ability to place orders, view account history/invoices, and view sales plans.
-  Each employee will be required to have their own email address.
-  Each employee must provide a contact phone number (either office or cell).  
**This number will be used in the event we have questions regarding placed orders.**
-  Complete and return this form and we will email you your log-in and password information.
-  For questions or technical support, contact Terry Carpenter at (504) 620-7832
